

Conversations with Australia

Our Conversation Sessions provide an opportunity to meet families from different communities around Australia. It is a great chance to learn directly from families about their way of life, living in the Australian Outback or the city. It can take students on a journey to places that are not easily visited.

Our student "Meet Up" focuses on meeting Australian students to compare lifestyles and/or school life; discuss future goals or talk about topics that are of interest to them. Meet Ups are available for any age group. This gives students the chance to make new international friends.

All sessions rely on keeping conversations going. Speaking and listening with confidence is the aim.

Australian Bites

Learn more about Australia the country: our heritage, our animals, the land, lifestyle, economy, politics or work life through our guest speaker presentation sessions.

Each presentation will involve an invited guest speaker of your choice, to provide a talk about the topic you select, and then follow with a Question and Answer session. It is the perfect way to get first-hand and up to date information.

Common presentation sessions include:

- Australian Wildlife Presentation
- Aboriginal Culture
- Career Interview (what is it like to work as a teacher, in hospitality, in aged care etc. in Australia in 2021)
- Sustainability
- Charity Organization etc.

Ask us and we will arrange it for you

ESL Focus Sessions

These sessions are English Conversation lessons where students are guided and encouraged in improving their communication skills.

ESL Focus sessions are based on a traditional ESL lesson and will concentrate on developing strong communication through targeted speaking and listening content.

Sessions are designed for students and/or teachers who want to get more in-depth English practice and are run by a qualified ESL teacher.

Grammar review is included where it is considered beneficial.

- ✓ All sessions can be booked in "mini" form or "extended" form.
- ✓ Sessions include a bilingual EdVenture mediator.
- ✓ Communication and Presentation sessions include a pre-session worksheet and teacher's notes. This will assist teachers to prepare students to ask questions and listen with more confidence.
- ✓ Conversation and Presentation sessions include a Communication review where students will be guided on how ask questions and review necessary vocabulary.
